

**ENISHI**  
INTERNATIONAL SCHOOL

# SOARING LIKE

# AN EAGLE

Enishi International School (EIS) is a multilingual, inquiry-driven IB Continuum School located in the heart of Nagoya, Japan. We serve a diverse community of learners from over 20 nationalities, fostering confident, lifelong learners who are multilingual, open-minded, and respectful of all cultures. Our programs—from early childhood to high school—promote agency, reflection, and global citizenship through the IB's Primary, Middle, and Diploma Years Programs.

With English as our primary language of instruction, Enishi embraces linguistic diversity as a foundation for intercultural understanding. Our dedicated international faculty empower students through inquiry, concept-based learning, and student-centered practices.

We believe education is a shared journey—rooted in collaboration, guided by purpose, and strengthened by community. At Enishi, students don't just learn—they lead, question, create, and thrive.

Learn

Welcome to **Enishi International School**, where we nurture confident, **lifelong learners**. As an IB World School in Nagoya, we shape future leaders who are multilingual, open-minded, and respectful of all cultures.

From ages 1 to 18, we offer a comprehensive education through our ELC, PYP, MYP, and DP programs. Our mission is to provide a supportive environment where students are encouraged to take risks, reflect, and grow.

We focus on inquiry, balance, and values to help students succeed and make a positive impact on the world. Join us in fostering globally-minded, compassionate individuals.

Warm regards,

**Kenan Ulu**

HEAD OF SCHOOL

## VISION

Our vision is to help shape the future for a better world by using leading educational practices to nurture internationally minded learners who show caring, respect, and compassion through their actions.

## Connecting Students to the World!

At Enishi, we empower students with voice, choice, and ownership over their learning. From selecting topics that spark curiosity to leading projects that reflect their passions, students actively shape their education. Our inquiry-based approach and collaborative environment encourage learners to take initiative, make decisions, and reflect on their growth—building confidence and independence.

## A Home for Lifelong Learners

Enishi International School is a world-class learning community that fosters a caring, supportive environment for students and families. Guided by our motto, "A Community of Lifelong Learners" we offer a multicultural and vibrant place to call home.

## MISSION

Our mission is to develop confident lifelong learners who are:

MULTILINGUAL,  
INQUIRING,  
OPEN-MINDED, and  
RESPECTFUL OF ALL CULTURES.

Through balanced reflection and risk-taking, our learners will be able to communicate, develop knowledge, and pass on positive principles for the benefit of both themselves and others.

# DID YOU KNOW A STUDENT CAN STAY AT ENISHI FROM AGE 1 TO GRADE 12?

## OUR APPROACH TO HOLISTIC LEARNING & DEVELOPMENT

At Enishi International School, students grow from age 1 to 18 through a continuous learning journey shaped by the International Baccalaureate (IB). Beginning with the Primary Years Programme (PYP) in preschool, they build curiosity and foundational skills. In middle school, the IB Middle Years Programme (MYP) deepens critical thinking and global awareness. By high school, students engage in the IB Diploma Programme (DP), preparing for university and life with academic rigor, research, and service.

Learning is personalized through small group instruction, language development, and real-world projects. Cultural events, international exchanges, and cross-grade communities like Eagle Nests help students connect, lead, and apply their learning in diverse contexts.

Our Schoolwide Learner Outcomes shape students into multilingual, principled, and open-minded global citizens. By graduation, they are confident thinkers, respectful collaborators, and compassionate leaders—ready to make a difference in a changing world.

### Early Learning Centre (ELC) Ages 14 months - 6 years

- A nurturing environment for children aged 14 months to 6 years.
- Foundation classes (14 months–3 years) follow the EYFS framework, building early skills in a caring setting.
- Preschool to Kindergarten (3–6 years) follow the EYFS framework and the IB Primary Years Programme, focusing on independence and emotional growth.
- Daily outdoor play supports physical development and social interaction.
- Nap time in Foundation is included to support healthy routines.
- Monthly field trips for Pre-K and Kindergarten connect learning to real-world experiences.
- Play-based, hands-on activities encourage creativity and exploration.

### Primary Years Programme (PYP) Ages 6 - 12 years

- PYP focuses on literacy, student agency, and global-mindedness.
- Strong multilingual readers and writers through reading groups and targeted instruction.
- MAP Growth data informs personalized teaching.
- Eagle Nests promote leadership, care, and community.
- Student voice and choice encouraged via Student Council and service.
- PYP Exhibition (PYPX) showcases passion-driven projects and growth.

### Middle Years Programme (MYP) (Grades 6 - 10)

- Academically rigorous, inquiry-based framework fostering interdisciplinary connections.
- Covers sciences, humanities, mathematics, and the arts.
- Develops critical thinking, independence, and international-mindedness.
- Includes service learning, extracurricular activities, and leadership opportunities.
- Grade 10 Personal Project allows students to complete a self-directed research project.

### Diploma Programme (DP) Grades 11 - 12

- The Diploma Programme at Enishi emphasizes academic excellence, critical thinking, independent research, and global awareness.
- Students select 6 subjects from following key areas: sciences, humanities, mathematics, languages, and the arts.
- Core components:
  - Extended Essay (EE) – a 4,000-word independent research paper
  - Theory of Knowledge (TOK) – exploring how we know what we know
  - Creativity, Activity, and Service (CAS) – personal growth through real-world experiences
- CAS and school initiatives connect students with the Nagoya community through volunteering, student-run clubs, and service projects.
- These experiences foster empathy, leadership, and a commitment to making meaningful change.
- Enishi DP graduates are recognized by top universities worldwide for their academic preparation and community impact.
- Students are required to complete and pass the IB DP exams.

### High School Program (Non-DP) Grades 11 - 12

- Offers a flexible, international curriculum tailored to individual student goals and pathways.
- Focuses on academic growth, critical thinking, and practical skills for life beyond school.
- Students study core subjects such as English, mathematics, science, and humanities, alongside other electives.
- Supports students in developing independence, communication skills, and global awareness.
- Prepares students for university, vocational pathways, or careers through personalized learning and college counseling.

# COLLEGE & CAREER READINESS

At Enishi International School, we provide individualized support to help students navigate the college admissions process. Through personalized guidance, portfolio preparation, and one-on-one consultations, we ensure students make informed decisions about their future.

## Personalized College Guidance and Support

## Global University Connections and Tours

We connect students with university representatives from around the world, both in-person and online, and offer opportunities for local and international campus tours. With our rigorous curriculum and international accreditations, Enishi students are well-prepared to gain acceptance into top universities worldwide.

# Early Learning Center

Foundation is designed for children aged 14 months to 3 years, supporting early development in a safe, nurturing setting.

Preschool welcomes children aged 3 to 4, focusing on exploration, play, and early learning.

Pre-K is for children aged 4 to 5, building independence, curiosity, and social-emotional growth.

Kindergarten serves children aged 5 to 6, preparing them for primary school through inquiry and foundational skills.

# Summer School

Enishi International School's Summer School offers a fun, English-immersion program for children, open to both Enishi and non-Enishi students.

Running in July, the program features weekly themes, hands-on activities, and field trips for older students—all designed to support learning through play, creativity, and exploration in a supportive, international environment.

The Summer School experience encourages confidence, curiosity, and communication skills in English, helping children grow socially and academically.

Students leave with lasting memories, new friendships, and a stronger foundation for future learning in a global setting.

# STUDENT LIFE

## Unlock Leadership and Creativity!

At Enishi International School, clubs foster leadership, creativity, and collaboration. A mix of student-led, teacher-led, and external clubs offers diverse opportunities for enrichment. Options include design, dance, sports, cooking, art, music, science, and community service clubs—ensuring every student can find a space to learn, lead, and connect.

## OVER 25 CLUBS

We provide diverse experiences through after-school programs, sports clubs, field trips, community service, and Eagle groups. Activities like reading groups, service projects, camping, and excursions help students develop their interests, connect with peers, and expand their understanding of the world.

At Enishi International School, we foster academic success and personal growth for every student. Through individual attention and group activities, our faculty supports students from Early Years to High School.

Student life at Enishi International School Nagoya isn't just about academics — it's the daily blend of multicultural friendships, hands-on projects, and spontaneous moments during after-school clubs that create a unique, living classroom. These authentic interactions teach resilience, empathy, and creativity in ways no textbook can, enriching every student's experience beyond the traditional curriculum.

# WHAT MAKES

## A GLOBAL COMMUNITY

Students from over **20 countries** and staff from more than **10 nations** come together to create a truly international experience.

## EMPOWERING STUDENTS

At Enishi, our students are not just part of the school — they have **a voice, a choice, and real ownership** through the Student Council.

## BALANCE OF GLOBAL AND LOCAL EDUCATION

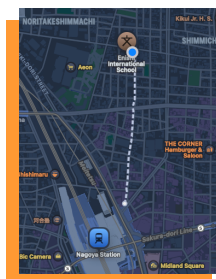

At Enishi, we blend **global** perspectives with **local** standards. Just like traditional Japanese schools, we teach the **full set of kanji**, so our students can succeed both here in Japan and around the world.

# ENISHI DIFFERENT?

## CONVENIENT LOCATION

Located just a **short walk from Nagoya Station and AEON Mall**, Enishi offers easy access to both the heart of the city and a nurturing, global environment for our students.

## COMMUNITY CLUB

The Enishi Community Club is an initiative designed to **enrich** the **experiences** of both international and domestic **families**. It fosters learning, enjoyment, and networking opportunities for our school community and local neighbors, creating a **space for cultural exchange, connection, and collaboration**.

# LEARNING AND

## MUSIC

At Enishi, music sparks creativity, fuels self-expression, and brings students together. Students explore a variety of instruments, vocal performance, and music theory while developing confidence and teamwork through performances, concerts, and school events. Our music program encourages students of all ages to discover their talents and share their passion for music with the school community.

## PHYSICAL EDUCATION

Physical Education at Enishi supports students' physical, social, and emotional development at every grade level. From early movement in the ELC to skill-building in Primary and sport-specific training in Secondary, students stay active, healthy, and confident. Our program encourages teamwork, coordination, and a lifelong love for movement and well-being.

## EAL

Enishi's English as an Additional Language (EAL) program supports non-native English speakers in building confidence and language skills.

Through personalized instruction and small-group support, students develop their speaking, listening, reading, and writing abilities while fully participating in school life.

Our goal is to help every student thrive academically and socially in an English-speaking environment.

# GROWING AT ENISHI

## Student Support Services

School counseling is a new and growing part of our school community, past year has been focused on laying the foundation for a program that supports students' emotional, social, and academic well-being.

### Why might a child need school counseling?

- In Primary (PYP), the focus is often on helping students learn how to manage big feelings like worry, frustration, or sadness.
- In Secondary, support centers around handling anxiety, developing academic skills, and strengthening Approaches to Learning (ATL) skills.
- Whenever there's an emotional need — whether it's stress, anger, confusion, or just feeling "off" — the counselor offers a safe space and supportive guidance.
- To help students grow, reflect, and develop their own unique personalities.

## Supporting Every Child's Emotional Journey and Development

### Enishi Offers:

- One-on-one counseling sessions
- Small group support
- Classroom guidance lessons focused on social-emotional learning (SEL)
- Safety and behavior plans
- Referrals to outside professionals
- Collaboration with teachers and families
- Personalized guidance in choosing classes based on future goals
- Informing students about university options and admissions
- Helping students explore potential career paths and life after graduation

## LUNCH AT ENISHI

We provide healthy, nutritious meals to support students' well-being and academic success. Traditional Japanese lunch options are available, or students can bring their own.

- Healthy meals provided
- Traditional Japanese or bring-your-own
- Supports health and academic success

## STUDENT TRANSPORTATION

We provide safe and reliable transportation through a trusted private bus company, covering Nagoya and surrounding areas.

- Bus Capacity: Waitlist created when full; early registration encouraged.
- Bus Routes: Three convenient routes cover key areas across Nagoya.

## SCHOOL UNIFORMS

Our uniforms encourage pride, unity, and responsibility, helping students develop respect for the school community.

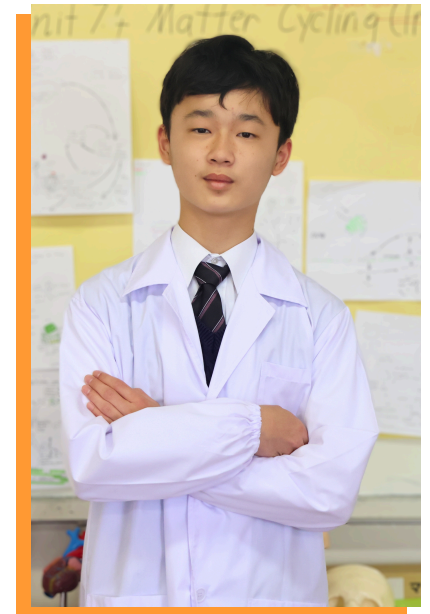

- Promotes pride and unity
- Fosters respect and responsibility
- Reflects shared values and high standards

Note: Uniforms vary by grade level.

## Empowering Global Learners, Right in Nagoya.

Enishi International School serves diverse families with thoughtfully designed facilities to support modern lifelong learners. Our campus includes air-conditioned gyms and a green field with artificial turf, providing great spaces for both physical and recreational activities.

## ELIGIBILITY REQUIREMENTS

### STEPPING IN

All students must go through an assessment process (including language proficiency tests where applicable) in order to be admitted to Enishi.

---

### EARLY LEARNING CENTER

For Foundation Class, children must be at least 14 months old and able to walk independently. Children applying for Preschool and Pre-K Class must be toilet trained. Applicants for the Early Learning Center should also demonstrate the ability to separate from parents, basic self-help skills, and age-appropriate language development. Basic English communication is expected for Kindergarten Class.

### PRIMARY SCHOOL

Elementary students are assessed on their age-appropriate social skills, language ability, and academic skills. Students must generally have sufficient competency in English to participate in the academic programs. For students who need extra support, Enishi provides English as an Additional Language (EAL) classes.

### MIDDLE SCHOOL

Middle school students are admitted based on academic ability, personal interests, behavior, and attendance records. They must demonstrate English language proficiency.

### HIGH SCHOOL

High school students are admitted based on academic ability, extracurricular interests, future goals, and their overall behavior and classroom performance. Students must demonstrate English language proficiency.
